INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

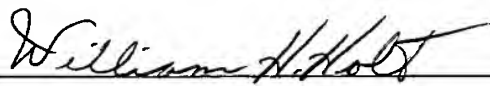

There are submitted herewith copies of the documents cited in the International search report. The documents submitted are listed in the required manner on the accompanying substitute form PTO-1449 so as to facilitate the examiner in making them of record.

One of the listed citations, WO 96/01991, is not in the English language. The requirement for a concise explanation of relevance is satisfied by the enclosed English language version of the International Search Report which indicates the degree of relevance found by the foreign office.

The documents cited in the International Search Report are not considered to be relevant or material to the claims of the present application and are cited as constituting related art of which the applicant is aware.

All requirements for an information disclosure statement have been met, and it is requested that the submitted documents be considered by the examiner and made of record.

Respectfully submitted,

William H. Holt
